[June 30, 2008] This is an update to [Project Humanbeingsfirst's](http://ProjectHumanbeingsfirst.org) original warning of March 29, 2008: [Heads-up warning to the American Peoples – Nuclear attack on Iran appears imminent!](#)

An alleged assassination attempt was made on French President Nicholas Sarkozy at the time of his departure on [June 24 2008](#), from Israel's most closely guarded institution – the Ben-Gurion Airport. That same day, Israel, the United States, and Iran, all denied rumors of the launching of full spectrum attack on Iran, as narrated by the [Jerusalem Post](#) “**US, Israel, Iran all flatly deny attack rumor**”. See assertions and denials in [Jpost](#), [Haaretz](#), [Atimes here](#), [Press TV](#), [Globalresearch here here here here](#), armchair scenarios [here here](#). See Iran's ineffectual bravado of its “**limitless response**” as in “**the response would have no time and space limitations and would be quite devastating**” [here here here](#), which is analyzed and deconstructed by this scribe in the still unpublished Letter to Editor to [Tehran Times](#) and [Press TV](#). Also see the famous conscience of the [US military brass](#) and the [IAEA brass](#) who “**will quit**” if US attacks Iran – some good will that do for the millions of '**wretched of the earth**' on the receiving end of a nuclear holocaust! Finally, witness these ominously descriptive words of concern emanating from the Republican Congressman Ron Paul, as reported by [Press TV](#) on June 28, 2008, with no formulation of effective prescriptions and merely still restating the supreme monumental crime to be, which most everyone on the planet already knows:

"In the last several weeks, if not for months we have heard a lot of talk about the potential of Israel and/or the United States bombing Iran. Energy prices are being bid up because of this fear. It has been predicted that if bombs start dropping, that we will see energy prices double or triple," said the Republican.

"To me it is almost like deja vu all over again. We listened to the rhetoric for years and years before we went into Iraq. We did not go in the correct manner, we did not declare war, we are there and it is an endless struggle," he told a nearly empty House chamber.

"I cannot believe it, that we may well be on the verge of initiating the bombing of Iran,"

"This resolution, House Resolution 362 is a virtual war resolution. It is the declaration of tremendous sanctions, and boycotts and embargoes on the Iranians. It is very, very severe," Paul said.

Supported by the American Israel Public Affairs Committee (AIPAC), House Resolution 362 (and the Senate version Resolution 580), known as the 'Iran War Resolution' can be considered a means of imposing harsher sanctions as well as a naval blockade restricting exports to the oil-rich country.

This bill, which was introduced at an AIPAC annual policy conference, has gained 208 co-sponsors in the House and 29 in the Senate. It will likely be put to a vote after July 4.

"This is unbelievable! This is closing down Iran. Where do we have this authority? Where do we get the moral authority? Where do we get the international legality for this? Where do we get the Constitutional authority for this?" asked Paul.

Instead of such glorious words of endless expression of concern and outrage (which are mere repetitions of what was already uttered in the [Jan 2007 speech](#)), endless petition writing in conscionable dissent, endless calls for [impeachment](#), more courageous acts of [soothing the conscience](#) after the fact, and vacuous bravado of the victims, please refer to [Project Humanbeingsfirst's forensic headsup warning](#) and the outlining of the [only effective deterrent solution-space](#) which can actually prevent all predatory attacks on all underdogs. [Only the immediate re-ushering in](#) of the "sublime irony" in which, once again, "safety will be the sturdy child of terror and survival the twin brother of annihilation", is there any possibility of effectively turning back from the edge of precipice. There is no other solution apart from "[full spectrum alliances](#)" against the hectoring hegemons!

The level and potency of their mantras is far greater than even the victims have perceived. The Zionist 'uber' war-mongering circus clown in the United States, Dr. Daniel Pipes, in his latest screed of [June 19, 2008](#) in the Jerusalem Post "**The Enemy Has a Name**", re-spins his attack on Islam thusly (with Iran as the newest harbinger of this 'threat' to Western civilization):

**“vanquish Islamism and help Muslims develop an alternative form of Islam. Not coincidentally, this approach roughly parallels what the allied powers accomplished vis-à-vis the two prior radical utopian movements, fascism and communism.”**

The sheer imagination and boldness of evil would be fascinating to watch were it only relegated to the Star Wars movie "**Revenge of the Sith**" and not the infernal source of continuing "**doctrinal motivation**" to bring a calamitous end to an innocent peoples – first construct, aid and abet the boogiemans of [Islamofascism](#) as noted in this [April 03, 2007](#) Open Letter to Daniel Pipes, and then wage an endless war against it to protect "**Western Civilization**". The insightful debunking by [Khalid Amayreh](#) in "**Voices of Evil**" has already dealt with this Goebblian attempt at "[manufacturing consent](#)" among the Western populations quite effectively. The following Project Humanbeingsfirst rebuttal to Daniel Pipe's erstwhile protégé's parallel cheerleading assault in the San Francisco Chronicle, "[Response to 'Islam in America's public schools: Education or indoctrination?'](#)", debunks the rest.

Sooner the conscionable peoples in the West standing up to the aggression of their own nations, and too the victims now so Machiavellianly divided and reduced to easy pickings, both rationally come to grips with this blatant single fact that the only effective self-defense possible against this level of full spectrum onslaught is in full spectrum alliance, sooner will all stop wasting time on ineffective pursuits and finally begin to focus on the only real deterrence solution-space.

It is also entirely feasible that Iran has already covertly constructed such a mutual defense pact treaty with Russia (with tacit supply-line assuring economic treaties with China and India). In fact, only the existence of such, can actually explain Iran's irrational bravado in the face of the extreme danger facing their nation. **Perhaps it is indeed a devilish setup to obliterate Tel Aviv by goading Israel and America into first ineffectively attacking Iran!**

While Zbigniew Brzezinski may have planned the "**Grand Chessboard**" in the West, his Eurasian targets of the great game actually invented chess. All four of the regions burgeoning powers, Iran, India, China, and Russia, are ancient civilizations far older than the Atlantic powers put together, and are also expert chess players in the very ethos of the richness of their civilizations. Many public parks in Iran for instance, are dotted with stone and wood carved chess tables

where ordinary peoples gather daily under the shady trees to spar with each other, bringing their own chess pieces. Chess is not an acquired skill in Asia, nor is it of recent acquisition, as it is for the West! It is innate to the peoples. The Chinese classic “**Art of War**” is 2500 years old and still teaches the Rand Corporation how to play their great games! **The Israelis would be wise to not forget that**, along with who has continually sheltered the Jewish peoples when the Atlantic Christians were persecuting them for two millennia. Even Uri Avnery, a self professed progressive Jewish leftist, and [Zionist](#), was forced to admit it when he fairly noted in his famous 2006 essay “[Muhammad's Sword](#)” (also available [here](#)):

**'Every honest Jew who knows the history of his people cannot but feel a deep sense of gratitude to Islam, which has protected the Jews for fifty generations, while the Christian world persecuted the Jews and tried many times "by the sword" to get them to abandon their faith.'**

The Israeli Jews, the Zionists, and all their genuine exponents worldwide itching to bomb Iran, might reflect on this alternate “war game” scenario before their hubris takes them to their own suicide. Muslims are not the Jews enemies! **Step back from the brink if you really are the true inheritors of Solomon's wisdom, and not merely impostors! For this may be the ultimate patsy setup by your own 2000 year old true nemesis!**

A humble public service message of King Solomon's rationalism brought to a war mongering peoples and their victims by **Project Humanbeingsfirst™.org**.
